

# Enjoying The Tramper at Upton Country Park

Paths shown in yellow are accessible to explore during your visit. We hope you have a great time!

 Suitable for Trampler  
 May be unsuitable at certain times  
 Unsuitable for Trampler  
 Steep/cross gradient. Go slow.  
 RADAR key required

**Difficulties or running late to return? Call us on 07795 644369**

- **Paths only:** as some grassed areas can become very uneven/ waterlogged.
- **Steep/cross gradients: avoid** crossing gradients and reduce speed **before** going down steep hills.
- **Outdoors only:** Park up where the Trampler will not be an obstruction taking the key with you.
- **Open Water:** Keep a safe distance from open water. Be aware that the Park has unfenced ponds, streams and a tidal shoreline. Young children should be accompanied at all times.
- **Gates:** At gates requiring a RADAR key space is tight. Reduce speed and avoid if you are not confident!
- **In the Park only:** The Trampler should never be taken out of the Country Park.
